

Life Safety Certification

Additional qualifiers apply if the apartments are 35 years or older &/or more than 3 stories in height. The additional qualifiers are:

1. Apartments 35 years and older:

- Smoke detectors in every unit
- Illuminated exit signs in interior corridors
- Emergency lighting in interior corridors longer than 75 feet
- Portable fire extinguishers

2. Three (3) Stories and over:

- Smoke detectors in every unit
- Illuminated exit signs in interior corridors
- Emergency lighting in interior corridors longer than 75 feet
- Portable fire extinguishers
- Pull fire "life safety" alarm
- At least two enclosed stairwells with self-closing fire doors & emergency lighting.
